NORTHEAST

CAREER EXPLORATION EVENT OVERVIEW & CAREER PLANNING RESOURCES

— 2022 —

Presented by

**MICHIGAN
WORKS!**[®]
NORTHEAST CONSORTIUM

A Hands-On Career Exploration Experience for You

MiCareerQuest Northeast 2022 showcased in-demand occupations in four industry quadrants:

Construction

Manufacturing

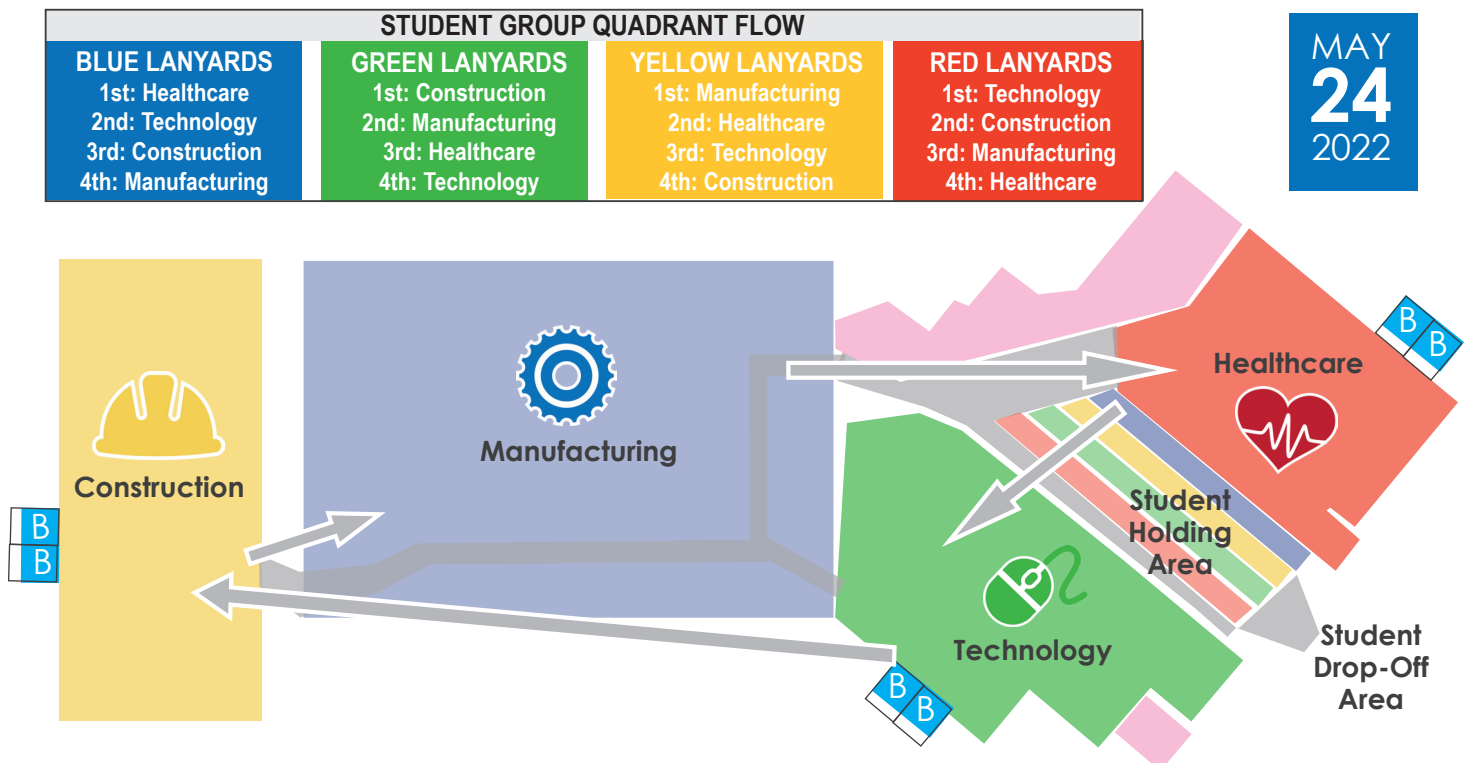

Healthcare

Technology

Each quadrant featured a variety of rewarding careers that have a talent shortage today - and have even greater demand projected for the future.

QUICK FACTS

MiCareerQuest Northeast is the largest one-day, career exploration event for high school students held in our region.

1,500+ students from **24** schools in an 11 county region (Alcona, Alpena, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle, and Roscommon) are attending MiCareerQuest NE.

There are **53** exhibiting organizations, showcasing more than **125** in-demand jobs in four industry quadrants: construction, healthcare, manufacturing, and technology.

Over **80** volunteers from Michigan Works! agencies, partner organizations, local community groups, and other groups are on-hand to make sure the event runs smoothly.

More than **200** working professionals are participating in the event. They have spent the past several months designing interactive demonstrations designed to engage students and highlight the skills needed to succeed.

MiCareerQuest Northeast is modeled after similar events held over the past seven years across Michigan.

NEXT STEPS

Interested in learning more about an industry? **Participate in a Talent Tour.** Talent Tours are coordinated between Michigan Works!, your school, and a local employer. During a Talent Tour, you will get to tour the local business to see how they operate, what career opportunities are available, and what career paths are required to obtain these positions. See behind the scenes at a local hospital, a local manufacturer,

and more, and learn what amazing opportunities are available right in your backyard!

Interested in Manufacturing? **Don't miss out on Manufacturing Day** events throughout Michigan in October. October 7th is Manufacturing Day 2022 and your local Michigan Works! office will be working with local manufacturers to arrange special Manufacturing Day Talent Tours throughout October.

Consider a summer job or internship in an industry that intrigues you. Michigan Works! can help you find local opportunities, as well as help you prepare with resume assistance, interview coaching, online job search guidance, and more. Michigan Works! is now accepting applications for a free **Career Readiness & Exploration 4 Week Paid Summer Youth Pre-Employment Program.** All MW! services are free.

The Power of You Knowing You

Whether you've known what career you wanted since you were a kid or you are still exploring the possibilities for your future career, this section will be helpful to you.

These resources will support your quest in your knowing more about you - and that knowledge is power. Power to make a career choice that will bring you success and satisfaction in your life.

What do you like to do? What are you good at? How do you get those answers to align with a great occupation?

Remember, your teachers and counselors are there to help you succeed well after MiCareerQuest is over. They can help you with subjects you might not even have thought of yet.

Your local Michigan Works! Northeast Consortium office is also a great place for job preparedness assistance and career research. They offer free workshops such as:

- Learn What Employers Expect From Employees
- The Importance of Networking and Creating a LinkedIn Profile
- Writing a Resume, Cover Letter, and References Page
- Interviewing Skills
